[em] Submission Acknowledgement

Dari: Vladimir Pešić (vladopesic@gmail.com)

Kepada: siti_fauziah@yahoo.com

Tanggal: Senin, 30 September 2019 12.36 WIB

Fauziah Arifin:

Thank you for submitting the manuscript, "Growth aspect of squid (*Loligo chinensis*) from the Banyuasin Coastal Waters, South Sumatra, Indonesia" to *Ecologica Montenegrina*. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <https://biotaxa.org/em/author/submission/57320>

Username: fauziah

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Vladimir Pešić

Dear Dr Fauziah Arifin,

Once again thank you for submitting the manuscript, "Growth aspect of squid (*Loligo chinensis*) from the Banyuasin Coastal Waters, South Sumatra, Indonesia" .

Could you please suggest us at least **two possible reviewers**, not affiliated with your institution, with their email addresses.

Pease keep in the mind about the recent change in journal policy - all accepted papers require an APC (Article Processing Charge) fee of 150 EUR (please check jopurnal policy with the link <https://www.biotaxa.org/em/about/editorialPolicies#focusAndScope>).

Best wishes,
Vladimir
