Dear Dr Fauziyah,

I am pleased to inform that the proof1 of your manuscript is ready.

Please read it carefully and send me list of corrections indicating them directly in the enclosed proof file. If possible return corrections within a week

Best regards,

Vladimir

Dear Dr Fauziyah,

Finally I got a review of your manuscript. The referee was quick and suggest acceptance. Please find enclosed his evaluation form.

Please address his comment and return me final manuscript version. Moreover, please assure that your paper is in compliance to EM requirements (format of list of references, resolution and format of figures and plates etc., see <https://biotaxa.org/em/about/submissions#authorGuidelines>)

Best wishes,

Vladimir

Dear Vladimir Pesic,

I'm sorry for bothering and asking your time with my email. I need to ask about my manuscript "Growth aspect of squid (*Loligo chinensis*) from the Banyuasin Coastal Waters, South Sumatra, Indonesia". Is everything ok? Or maybe any problem with it?

Thank you very much

My best regards

Dr. Fauziyah, S.Pi

Dear Vladimir Pesic

We have read the proof1 of our manuscript carefully and we inform you a few corrections as follow:

Original sentences in the proof 1	Correction
<p>Acknowledgments</p> <p>The authors would like to thank Mr, Ardani, Mr. Saderun and the crews of the stationary lift net for their help and collaboration. And special thanks are due to LP2M Universitas Sriwijaya for their support so that this research can be accomplished. The authors are also grateful to an anonymous reviewer for their constructive comments and suggestions.</p>	<p>Acknowledgments</p> <p>The authors would like to thank Mr, Ardani, Mr. Saderun and the crews of the stationary lift net for their help and collaboration. And special thanks are due to the Ministry of Research, Technology and Higher Education of the Republic of Indonesia for their funding support in 2018-2019. The authors are also grateful to an anonymous reviewer for their constructive comments and suggestions</p>

After the proof 1 have been revised, I agreed that It could be published.

My best regards
