Distribution pattern of potential fishing zones in the Bangka Strait Waters: An applications of the remote sensing technique

Dear Dr. Fauziyah,

Thank you for submitting your manuscript to The Egyptian Journal of Remote Sensing and Space Sciences.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate and value your contribution to The Egyptian Journal of Remote Sensing and Space Sciences. We regularly invite authors of recently published manuscript to participate in the peer review process. If you were not already part of the journal's reviewer pool, you have now been added to it. We look forward to your continued participation in our journal, and we hope you will consider us again for future submissions.

Kind regards,  
Mohamed ZAHRAN

Dear Dr. Fauziyah,

Thank you for submitting your manuscript to The Egyptian Journal of Remote Sensing and Space Sciences.

I have completed my evaluation of your manuscript. The reviewers recommend reconsideration of your manuscript following minor revision and modification. I invite you to resubmit your manuscript after addressing the comments below. Please resubmit your revised manuscript by Dec 22, 2021.

When revising your manuscript, please consider all issues mentioned in the reviewers' comments carefully: please outline every change made in response to their comments and provide suitable rebuttals for any comments not addressed. Please note that your revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/ejrs/>, and navigate to the "Submissions Needing Revision" folder under the Author Main Menu.

The Egyptian Journal of Remote Sensing and Space Sciences values your contribution and I look forward to receiving your revised manuscript.

Dear Prof Zahran  
Editor-in-chief,

Thank you for the positive consideration of accepting our article. Regarding the schedule of the article to be published, could we request for our article to be published in early 2022 onwards, not later this year?. We would be grateful if the editorial could consider this.

We look forward to the next stage and information. Thank you very much.

Sincerely,
