Dear Prof/Dr Fauziyah Fauziyah, Assyifa M. Aprilita, Wike A. E. Putri, Ellis N. Ningsih, Anna I. S. Purwiyanto, Fitri Agustriani:

Your manuscript, JFish-21-346 entitled "Using the hydroacoustic method for estimating fish density in the eastern part of Banyuasin Coastal Waters, South Sumatra of Indonesia", has returned after review (see comments at the end of this email). Please note that, based on the comments on the manuscript, a 'Modest Revision' has been suggested for your manuscript. Please send us the corrected version after necessary corrections suggested by the reviewers. Corrections must be made in the MS Word manuscript and modified/newly added text colour needs to be changed in blue/green/brown.

Please send the revised copy at the earliest, within two (2) months. We will have to decline your manuscript if you fail to resubmit it within this period, as per journal policy. If you submit it again after this period it will be treated as a 'new submission'. A checklist of the documents, that you need to send back to us, is as follows:

- Revised manuscript (modified/updated text in different colour) with (1) Email and ORCID ID for each author, (2) Author contributions, (3) Conflict of interest declaration, and (4) Data availability statement (see <http://journal.bdfish.org/index.php/fisheries/about/submissions> for details)

Dear Prof/Dr Fauziyah Fauziyah, Assyifa M. Aprilita, Wike A. E. Putri, Ellis N. Ningsih, Anna I. S. Purwiyanto, Fitri Agustriani:

I am pleased to tell you that your manuscript JFish-21-346 entitled "Using the hydroacoustic and trawl data for estimating fish density in the eastern part of Banyuasin coastal waters, South Sumatra of Indonesia" has been accepted for publication in Journal of Fisheries.

Our production team will be in touch with you soon. When you receive the proofs within the next few weeks you may also find a set of comments and questions compiled by the JFish CopyEditor; please ensure that you address these when making your amendments.

Yours sincerely,  
 Executive Editor
