LETTER OF ACCEPTANCE- abstract

On behalf of the Technical Committee of the forthcoming Conference, it is my pleasure to inform you that your paper:

“The Study of Landslide Using Slope Stability Radar within Faillure Ss_P4_028 in Pt Newmont, Nusatenggara Barat, Indonesia”

has been reviewed and has been accepted for inclusion in the Conference.

We wish to draw your attention to the requirement in the Call for Papers: "It is an understanding that the author of an accepted paper must attend the Conference to present the paper, or in his absence a co-author may represent him.

The paper format guidelines and the publishing agreement can be retrieved from the website: <http://www.cipremier.com>. The hyperlink labeled "Paper Format Guidelines" is located at the top right hand corner.

The full text in MS Word format must reach the Secretariat on or before the deadline (26 February 2010). This deadline for submission of the text must be strictly adhered to, to meet the printer's schedule.

Please send text to: john@cipremier.net

The Conference also requires a text inclusion fee of S\$400.00 per paper to accompany the submission of the text to ensure the publishing of the text in the Proceedings.

ONE TIF may be deducted from the registration fees due.

For authors submitting more than one paper, kindly note that the text inclusion fee is required for each paper.

Authors are responsible for all expenses incurred in preparing and presenting their papers, including time spent, costs for preparation of manuscripts and illustrations, travel to the conference, hotel and other incidental expenses and the conference registration fees.

Yours sincerely, Er John S Y Tan

Conference Director.
