5 Maret 2021 pukul 14.15

Dear Ms Ms. Ziske Maritska,

Advances in Human Biology has received your manuscript entitled "Dermatoglyphics Findings in Intellectual Disability Children with Down Syndrome, Autism Spectrum Disorder, and Attention Deficit Hyperactivity Disorder: A Descriptive Cross-sectional Study" for consideration for publication. The reference number for this manuscript is "aihb_34_21". Kindly quote this in future correspondences related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to ONE journal at a time and has NOT been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in a part.

Online submission of this article implies that the corresponding author has written consent from all the contributors to act as the corresponding author.

All contributors are requested to send the **Digital Copyright Agreement Consent** within 1 week. The status can be viewed in the 'Manuscript Information page' from your area. The decision about the manuscript will be conveyed only on receipt of the agreement on copyright form received from all contributors.

High-resolution images are required at the time of acceptance, you should be notified separately for the same if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system.

During this process, you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://review.jow.medknow.com/aihb>.

We thank you for submitting your valuable work to the Advances in Human Biology.

Yours sincerely,

Editorial Team

Kepada: ziske_maritska@unsri.ac.id

30 April 2021 pukul 01.27

Dear Ms Maritska,

With reference to your manuscript aihb_34_21 entitled Dermatoglyphics Findings in Intellectual Disability Children with Down Syndrome, Autism Spectrum Disorder, and Attention Deficit Hyperactivity Disorder: A Descriptive Cross-sectional Study, please review the comments of the referees from our site <https://review.jow.medknow.com/aihb>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Advances in Human Biology.

With warm personal regards,

Editorial Team
