Dear Author,

We have got a final review for your paper. We need you to accommodate comments in the boxes. We also need you to re-arrange your reference numbering. You should write the reference number consecutively according to their first appearance. We have provided the blue highlight number as the correct number.

We should be grateful if you are able to send your revision before 10 April 2017.

Thank you for your support and cooperation.

Kind regards,
 Journal of Engineering and Technological Sciences
