Dear Yulia Resti:

I am now able to inform you that your manuscript entitled " Diagnosis of Diabetes Mellitus in Women of Reproductive Age using the Prediction Methods of Gaussian Naive Bayes and Multinomial Logistic Regression" has now passed through our refereeing procedure and has been recommended for revision as details in the following bullet point and/or the attached files. Please consider comments/suggestions of the referees for improving your article.

I would be most grateful if you could send a list of answers to all the referees' comments and return your revised paper as soon as possible so we can prepare it to be published in our next publication schedule.

Please also pay attention to the format of the article, the guide for author for your guideline for the current format of Science and Technology Indonesia journal is also attached herewith.

Dear Yulia Resti, Endang S. Kresnawati, Novi R. Dewi, Des Alwine Zayanti, Ning Eliyati:

We have reached a decision regarding your submission to Science and Technology Indonesia, " Diagnosis of Diabetes Mellitus in Women of Reproductive Age using the Prediction Methods of Naive Bayes, Discriminant Analysis, and Logistic Regression".

Our decision is to accept your submitted manuscript for publication in

Thank you for publishing with us and please do not hesitate to contact us if you have any inquiry. Our admin will contact you soon for the publication fee.
