Dear Authors,

Good day, Your manuscript "**Neutrophil Extracellular Traps and Its Correlation with Several Pathological Conditions: Prosperities and Deleterious Implications**" has been accepted for publication in Molecular and Cellular Biomedical Sciences, and is now available in the [Article in Press](#) section.

Herein we attach the final draft of your manuscript. We did some editorial revision to your manuscript, hence we need your assistance to check if there's any mistake in our printing and please state your agreement. Please make sure you check every detail of the manuscript, because any mistake/misprint found in the article after proof reading done will become the author's responsibility.

When you complete all your corrections/comments, please fill the attached Proof Reading Form. We will be waiting for your reply until **December 31, 2021**.
